

CDAC Workgroup Meeting
January 10, 2005
Meeting began 12:34 PM

Campus Y

- Scheduling 2-16 seat or 1-32 to 40
- Construction documents are going out this week
- MC-1 level of technology

Fall 2005-Kelly

- Room deficit in 50-99, 100-199, 200+
- Phillips room back will really help-there are requests for them

Greenlaw 222

- Still working on floors-there are 50 chairs in there
- 20 are Einsteins from all over
- Overhead projector and screen
- Is it feasible to tag the chairs in case they wander-could stencil the room number/stray paint color to identify?
 - Can try that

Fetzer

- Have not seen final revisions

Coker 201

- Initial meeting needs to be set

Arts Common

- Starts 2007

Wilson

- Some this fall, other the spring
- Staggering construction
- Little has not finalized anything
 - Kelly sent them a list of projects and dates to help
- Housing gave the registrar 4 GP classrooms without technology
 - Would like technology put in
 - Ring down phones also
- See how many classes are scheduled in there to justify putting in
- Incentives:
 - Parking, money incentive for freshman only classes
 - Communication studies interested
 - This does not happen until fall

- Also got the room in the basement of Top of the Hill
 - Have two overhead projectors, big screen TV, VCR, tables and chairs
 - L-shape
 - Tail of the L is storage cabinet-maybe art department
- Current list for spring of classrooms to put on hotline website
 - There is a list for Excel and Access
 - Kelly will send to Jeremiah to make sure all the rooms are listed online

Stone Center 103 (auditorium)

- Not finished, but classes were scheduled because it was supposed to be finished

Saunders

- Next after HSL
- Finish by summer

Next meeting:

- What are projects are going on or starting that need CDAC involvement?
Fetzer, Greenlaw, Hamilton (?)
- Work with Scott and Jerry regarding the phases the projects are in and what we have to do
- Include in the general meeting next Friday

Meeting adjourned 1:16 PM
